***What's it all about?***

Our school is joining hundreds of schools around the country and throughout the world that are taking action to stop and prevent bullying.

***The Olweus Bullying Prevention Program***

is the leading research-based program that has been shown to reduce bullying and make schools safer, happier places for students to learn and grow.

Join students, parents, teachers, and staff for this fun night and to find out how the program will work in our school and how you can be a part of it.

For questions, call: Mrs. Wardlaw or your child's teacher.
