Principal

Anna-Stina Wardlaw

October 24, 2011

Dear Parent or Guardian:

The federal No Child Left Behind (NCLB) Act defines new standards for teacher quality. Under NCLB, teachers must hold a Massachusetts license at the Preliminary, Initial or Professional level and demonstrate subject matter competency in the areas they teach. NCLB standards apply to the subject matter taught by teachers.

Under the law, school districts must annually notify the parents/guardians of each student attending any Title I school that they may request information about the qualifications of their child's teacher or teacher's:

- Whether your child's teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether your child's teacher is teaching under an emergency license or waiver through which the State qualifications or licensing criteria has been waived.
- The baccalaureate degree major of your child's teacher and any other graduate certifications or degree held by the teacher, and the filed or discipline of the certification or degree.
- Whether your child is provided services by paraprofessionals and, if so, give their qualifications.

Granville Village School is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. If you would like to receive any of the information listed above for your child's teacher or teachers, please feel free to contact me at the number above.

Sincerely,

Anna-Stina Wardlaw
